

ROUND 3 QUICK QUOTES
September 16, 2023

S.H. KIM (-15)

Q. What did you like about your round out there today?

S.H. KIM: It was a bit hectic out there. Sahith had quite a big following and I just haven't played in this atmosphere for a while. I tried to get into my rhythm, it took some time, but I'm pretty happy with my round.

Q. I think tomorrow you'll be with Justin Thomas, another big group. What does it mean to get yourself in contention at a PGA TOUR event?

S.H. KIM: Justin Thomas is one of the players that I really am a fan of and I admire, so I'm really, really excited to play with him. I want to have a great final finish in the final round.

Q. And then tomorrow's your birthday as well. Do you have any special birthday plans?

S.H. KIM: Yeah, regardless of the result, I want to just have fun out there and I plan to stay here one more night and with the two weeks off, I just want to prepare and get better every week.

Q. It would be a pretty good birthday present to win, though.

S.H. KIM: Yeah.
