

**ROUND 3 INTERVIEW**  
**August 27, 2023**

**VIJAY SINGH ( -14)**

---

**Q. When did you find out once there was a five-putt on 17, basically you had a walk-in victory?**

**VIJAY SINGH:** Yeah, I left the 18th and I looked up at the scoreboard and I said, wow, what happened? He dumped a shot on 17, but then his name wasn't on at 14 or 13 under. I was surprised, I said something must have happened there. Once I got into the clubhouse, they said he had a disaster on 17.

**Q. How much do you feel for a guy like that? I'm sure you've had instances in your career where --**

**VIJAY SINGH:** You don't want to see anyone having a three-putt or a five-putt. I don't know how he did it, but unfortunate.

**Q. Talk a little bit about the grind of the 36 holes from yesterday and just kind of staying focused and kind of sticking to what works.**

**VIJAY SINGH:** We knew what was going to happen. They told us the day before we were going to play 36 holes, so we kind of prepared ourselves for it. It's not the first time we've played 36. Lucky enough I get to ride the golf cart as well. A lot of us rode the golf cart. Especially with my foot, it was a blessing.

**Q. How much more special is this win given your past success here at Warwick?**

**VIJAY SINGH:** I love coming here, I love the golf course. For some reason I come here and I drive the ball very well, so that's a key for this golf course. If you drive the ball on the fairway, you have a lot of chances for birdies, and that's what I did this week.

**Q. Vijay, how are you going to celebrate this win? Are you going out or something?**

**VIJAY SINGH:** I've got a long drive to Detroit now. I'm going to Hawaii tomorrow. I'll celebrate when I get to the hotel.
