

**ROUND 1 QUICK QUOTES**  
**October 20, 2023**

**HARRISON FRAZAR (-7)**

---

**Q. All right, Harrison, elements did not bother you, 7 under today. Just biggest takeaways from Round 1?**

**HARRISON FRAZAR:** Well, they bothered me, but I feel very comfortable with the putter right now. So you're going to end up with a lot of five-, six-, seven-footers in stuff like this, especially as the greens are so fast, and I made all of them today. I might not make them all tomorrow, but I did today.

Yeah, the elements are not friendly.

**Q. Heading into the Playoffs, this has to just continue building your confidence moving forward to Phoenix.**

**HARRISON FRAZAR:** Yeah. I've got to get to Phoenix first, but yes, I feel like I'm playing OK, I feel like I'm playing all right. I'm hitting some good shots, I'm chipping and putting well, like I said. So if I can just tidy up a few tee shots, like I hit a couple of loose ones today but I got away with them. If I can tidy it up off the tee, yeah, confidence could be high.

**Q. Sixty-five though, with a few loose tee shots is pretty good out here today.**

**HARRISON FRAZAR:** Yeah. I'm very happy with it. Like I said, I hit a few good shots early. Like I hit it close on 1, I hit it close on 3 and I knocked it on the par 5 in two, No. 6. So three relatively easy, but in the middle of that I made a couple of five-, six-footers at the same time to keep it going.

Yeah, it's a good score. It's not easy, but the greens are perfect. If you can make 'em, you can get it.

**Q. At the same time last year versus this time this year, what's the difference in your game? What's changed?**

**HARRISON FRAZAR:** I don't know if there's anything that's changed. I think I'm just a little bit more comfortable being back out here after taking a seven-year break. It just takes a while to kind of get your legs under you again. So this year I felt much more comfortable.
