

**ROUND 2 QUICK QUOTES**  
October 21, 2023

**BRETT QUIGLEY (-9)**

---

**Q. Yeah, how about that, Brett Quigley, five birdies, no bogeys today, clean card. Assess your round.**

**BRETT QUIGLEY:** Nice start, played solid. The wind was tough today. Then I kind of stalled there at the end, but saw that Yang shot a heck of a score, 63, so I knew there were birdies coming in. Overall, 5 under starting the day, be very happy with that.

**Q. You won a couple weeks ago at a really, really good golf course at Timuquana, an old Donald Ross golf course. This one here, old William Flynn. You have something for old golf courses with character. How much confidence did that give you coming into this weekend?**

**BRETT QUIGLEY:** I think I'm just more patient with myself, for sure. I'm not fretting that other stuff that's involved and just trying too hard. Certainly a couple weeks ago freed me up, and I'm just playing nice golf, nothing too like up or down, just pretty steady.

**Q. Game plan for tomorrow?**

**BRETT QUIGLEY:** I was happy to get in the last group, that was my goal today, so I'm happy there. I know I need to keep the pedal down and make five, six, seven birdies again.

**Q. Brett, after two weeks ago, you decided to take a week off, stay at home and then come here. That rest do something?**

**BRETT QUIGLEY:** Yeah, it was -- I had planned on going to Cary and got home with my girls and Amy and just thought I'd enjoy a little bit more time at home. Being rested for the last three, I mean, it's a big push as we get now into the Playoffs. And just came out a little shaky yesterday, made a bunch of bogeys, but today was a little stronger, a little more tidy, I guess, and played a nice round.

**Q. Five under in today's conditions were pretty good.**

**BRETT QUIGLEY:** I thought it was really good until I saw Y.E.'s score and I was like holy cow. I mean, what a round that is today in these conditions. I just told Cookie earlier that I was just trying to get into the last group and looks like I've accomplished that, goal. So set a new goal tonight and try to make a bunch of birdies.

**Q. How big is the word "patience" with you?**

**BRETT QUIGLEY:** It requires a lot of fortitude on my part to be extra patient. Certain weeks, you know, are better than others. I think after Timuquana, I think I'm a little more patient with myself.
