

**ROUND 1 QUICK QUOTES**  
**19 October 2023**

**ZAC BLAIR**

---

**Q. Sixty-six to start, can you just talk about how you felt about that round?**

**ZAC BLAIR:** Yeah, played good. Made a few good par putts, like the one on the last hole. You know, just had a good day kind of doing everything pretty solid.

**Q. You had a strong back nine. What was working for you back there? I think you had three consecutive, four consecutive birdies?**

**ZAC BLAIR:** Yeah, birdied 1, 2 and 3 kind of at the turn, hit the fairways, hit the greens and had good looks and made the putts.

**Q. Do you like this golf course? Is it something that fits your eye?**

**ZAC BLAIR:** You've got to drive it well, which is kind of, you know, I feel like when I'm playing good, that's something I do well. It's a big advantage if you hit it in the fairway out here. So yeah, I mean, it's kind of, it's a good course. Anything that's par 70 I always usually like, too. It's not a ton of par 5s were people are going crazy on those.

**Q. This is obviously a far trek coming all the way out to Japan, but the FedExCup Fall is important. Can you kind of summarize the last few events and where you are now?**

**ZAC BLAIR:** Yeah, so I feel like I'm like right around 100th in the FedExCup Fall points list, so it was obviously super exciting to get into this event. I've never been over here, so anytime you can come play four rounds of golf against some of the best players in the world, it's a no-brainer.
