**RUSSELL HENLEY (-18)**

---

**Q. Russell, how would you kind of encapsulate kind of the finish after the weather delay?**

**RUSSELL HENLEY:** Yeah, just never got comfortable, felt a little jittery out there, just never got into a good sync with my swing, felt kind of rushed from the top of my swing, just didn't do a good job of handling the restart.

**Q. Do you kind of know where it may have come from on the restart, because your swing was so good kind of the rest of the day?**

**RUSSELL HENLEY:** I don't know, I don't know. I'm nervous because I care, but I'm not really sure.

**Q. It's hard, I know, right now. Are there positives to take from this week?**

**RUSSELL HENLEY:** Yeah, I mean, to contend in a PGA TOUR event is a positive. I feel like I'm putting a little bit better. I feel like most of my game was pretty good most of the time except for the last couple holes.

**Q. Do you feel like you got a couple really bad breaks there on 16 and 17?**

**RUSSELL HENLEY:** I hit a very poor shot on 17 off the tee, but 16, to come back into a divot, that's a pretty tough break. But 17, I just hit a terrible shot and 18 was just not good enough to make a par.
