

ROUND 3 INTERVIEW
August 27, 2023

JEFF MAGGERT

Q. Just comments. Obviously a good week. Just how you felt, what you felt good about this week.

JEFF MAGGERT: Well, I've been playing better the last month, so just ball-striking everything, getting the ball closer to the hole, making a few putts.

Today was a little disappointing, missed a couple short putts, and as we can see, anything can happen in 72 holes. I was just grinding all day. I felt like 15 was kind of that number to get to today. Just a few short of that, but I played well.
