

BYEONG HUN AN (-7)

Q. Congratulations on a great round today, especially the final two holes with the birdies. Can you talk a little bit about it?

BYEONG HUN AN: Yeah, it was a rough start. I started with a three-putt. That's never fun to start with a three-putt, but it's golf. I guess I got it out of the way. And the rest of the holes I hit great drives and good second shots in. Didn't really have much troubles I guess off the tee, into the greens. It was a very easy and nice 7 under I think.

Q. What did you like about the course?

BYEONG HUN AN: That's a good question. I like the course. I've been playing well over here, had some good finishes. That's a good question, I'm not sure.

I don't think -- you know, it's not a bomber's golf course, you have to keep it in the fairway. The roughs are pretty thick and long this week. Maybe the bermudagrass. I grew up in Florida, I've lived in Florida for 10 years, so I guess I'm used to it. The grain doesn't really bother me that much. The greens get pretty quick down here, but overall, I don't know, I just tend to play well over here, I guess.

Q. Heading into the weekend, great finish today, what's your game plan, expectations for the next couple days?

BYEONG HUN AN: Game plan, keep it in the fairway onto the greens. I believe I only missed one green today. Golf could be so much harder if I'm missing the greens, but 17 greens, that's the goal if you're hitting every green. Leave myself in a good spot because there are a lot of slopes on the greens. Just got to give myself better putts and easy putts so I can do it and we'll see where it goes.
