

## Q. A general assessment of today's round and thoughts heading into the weekend?

**S.H. KIM:** I started off with a birdie today and overall I'm happy with my round. There was a couple of obstacles at the end, but I'm glad I saved some pars to keep the momentum going.

For the weekend, I just want to show some consistency in my game like I did the first two rounds and look forward to the weekend.

## Q. How nice is it now that we're going on the second time to the fall that you've seen some of these courses before, being familiar, especially last fall you had a good start through here all the way through Shriners?

**S.H. KIM:** Definitely feel more comfortable playing the course that I played it once last year. Just being prepared for the tournament, looking forward to the tournament, I just feel comfortable knowing that I know what the course looks like and how I need to approach.

## Q. Final one in English would be, does it excite you playing in the final round tomorrow on the weekend or is it kind of more nerves, and have you played with Sahith Theegala before, a California native, so expect him to have kind of some friends and following as well?

**S.H. KIM:** Yes, I do remember playing with Sahith last season. He's a great person with a great personality. I know he draws a pretty big crowd as well, so I'm looking forward to playing with him.

As far as preparing for the final rounds, I just want to stay focused in my game and stay composed so I can have a good couple rounds to finish the tournament.
