CHARLEY HOFFMAN (-11)

Q. Charley, just talk a little bit about the albatross on No. 15 if you can.

CHARLEY HOFFMAN: Yeah. Obviously got off to a tough start, but I intentionally pushed it up there. Saw the pin. Probably most of the guys probably hitting 3-wood off that tee. I tried to squeeze a driver up there so I had some angle. Was able to cut a 6-iron in there and it really landed perfect and soft. I couldn't see it, but the crowd started yelling, then they went crazy, so it was an amazing feeling.

Q. And have you had one of those before?

CHARLEY HOFFMAN: I don't think I've had one of those on Tour. I had one back in the day on the Korn Ferry Tour, but never on the PGA TOUR I think.
