SHANE LOWRY (-3)

Q. Shane, take us through the day and kind of (inaudible)?

SHANE LOWRY: Yeah. Got off to a really nice start, playing very well, and then hit a couple of bad shots. Not even a bad shot on 11 really. I hit a decent tee shot, it just kicked left in the rough and got a bad lie, made bogey. On 14, hit a good tee, hit a poor second shot there, but a bogey there's not gonna kill you. Made a nice birdie on 15, got a bit of fortune there.

Then 16 I just had like a brain fart or something, I don't know. Just putted it off the green. I was like, wow, going from thinking if I birdie two of the last three, I'm well in the tournament to I could be booking a flight this evening, which is difficult.

You know, sometimes in this game making the cut is quite satisfying and I'm proud of how I played the last two holes, especially 18 there. It's not an easy hole and I just hit the best drive I've hit all week down 18. And I hit a lovely wedge shot to nine feet and holed the putt.

So a bit of everything today. Yeah, look, I need a low one this weekend, but I feel like I played better today than I did yesterday, so I'm getting better. There's no reason why I can't shoot two rounds in the mid to low 60s over the weekend.
