

**ROUND 4 QUICK QUOTES**  
**September 17, 2023**

**CAM DAVIS (-17)**

---

**Q. Obviously a good week for you, birdies on two of the last three holes to cap off a really strong week. Just some thoughts on the week?**

**CAM DAVIS:** It was an awesome week. I really enjoyed everything about this week actually. It was relaxing, I love being here, the weather was just about the best all year we had for a full week straight, I loved how firm and fast the course got. So I had a really enjoyable time. Just didn't quite get off to a really good start today which kind of threw me so far off that I wasn't really a contender anymore.

It was awesome to watch how well Sahith played today. He did everything he needed to do to get the job done today.

**Q. And one last one, a week like this moving forward throughout the fall, what's your schedule like, what are you hoping for to move through the fall?**

**CAM DAVIS:** I'm going to play a couple more events on the PGA TOUR and then I'm going to go back and play the events in Australia at the end of the year. I'm going to have a smattering throughout the rest of the year, which is nice that I can kind of take that approach and work in a few things now. But a lot of good stuff to take away from a week like this.
