**MICHAEL KIM (-13)**

---

**Q. Michael, if you could, just kind of assess overall play this week. Obviously you were kind of in danger of missing the cut on Friday, 62 on Saturday. I know you're not going to make it into next week. Just assess the week.**

**MICHAEL KIM:** You know, to be completely honest, I was just looking to have a good week this week. I was really not worried about the -- trying to make it to top-70 since I need such a high finish. It would have been great if I did, but after the so-so round on Thursday, I'm just super happy I was able to put three really good rounds together.

**Q. Did you have any, I mean, any pressure this week or were you kind of playing free sort of?**

**MICHAEL KIM:** I was playing free. Especially that Thursday, I really wanted to kind of finish this, quote unquote, season on a decent note and just try and make the weekend, and then obviously an awesome round yesterday and today to give me a really good finish, so I'm really happy about that.

**Q. Did this week kind of feel like a mini playoff event sort of with trying to get inside the top-70?**

**MICHAEL KIM:** Sort of. I don't know if I was ever that close after that Thursday round, but the chip shot J.T. hit on 18 and all that kind of stuff, selfishly I wish it was still top-100 or 125 to get me in, but that's the way it goes sometimes.

**Q. Lastly, if you could just assess your overall season if you could. Best finish on Tour since 2018.**

**MICHAEL KIM:** Yeah, a little up and down here and there. I think I went through kind of phases of playing some really good golf and so-so golf. Hopefully I can kind of raise the floor a little bit heading to next year.
