

ROUND 4 QUICK QUOTES
November 12, 2023

GEORGE BRYAN IV (-6)
WESLEY BRYAN (-12)

Q. Just a quick recap of how the week went for you guys. Obviously both making the cut was a good thing and now we're finished. How do we feel? We'll start with you, George.

GEORGE BRYAN: I mean, you got me -- like literally just finished. I don't know. I feel like I'm -- it's like I'm not disappointed, but I feel like my game could have been so much better and it's like crazy to think that a week ago or two weeks ago that you'd be disappointed shooting 6 under, 6 under for four rounds.

But like it's cool, but I'm also encouraged going to like Q-School and next because I feel like my game could get even better, which is like crazy. But, I mean, looking back at 72 holes on the PGA TOUR, playing the weekend, shooting 69-72, so 1 under on the weekend in my first Tour event like is really good. Even today, like I didn't have it per se and shot 1 over with winds gusting and feeling uncomfortable on every single shot.

So yeah, it was an insane week. Words, I mean, again, I'm probably butchering it because I really don't have the words or I can't even think about how awesome this week was. A few days from now when I really think and sit down, like yeah.

WESLEY BRYAN: You'll save the good stuff for the YouTube channel.

Q. Wesley, how would you sum of up your week, especially with your brother playing in the event at the same time?

WESLEY BRYAN: One, it was pretty special just to be able to tee it up on the PGA TOUR with him. That's nothing that can be taken away from us moving forward. It was a dream that we've had since we were -- seeing the kids walk past here -- since we could barely walk. That was kind of our dream. we'd sit down on Sunday afternoons and watch every single golf tournament. My dad would tape them. So to be able to say that we did that together is pretty dadgum special.

Q. George, you touched on it just this week and going into second stage next week or a couple weeks, how much will this help you going there?

GEORGE BRYAN: I mean, if we're being honest, I don't think you can put a -- you can't quantify it how much it will because like I feel like I was pretty uncomfortable a lot of times out there, if it was wind or hole or nerves or whatever, and the fact I was able to pull off shots and execute when I didn't feel great is like, I mean again, you can't put you can't

quantify that because I think I will draw on this in two weeks and be like hey, I can do it in a PGA TOUR event, I can do it here with wider fairways or bigger greens or, you know, a little -- you know, the galleries not going to be there, the rope. It's not going to be a PGA TOUR event, so like I'll have probably less nerves, which is --

WESLEY BRYAN: You've also got seven days that row of playing and practicing.

GEORGE BRYAN: I know. I haven't done that in a while.

Yeah, it really is, like I think it's given me a massive confidence boost leaving this week. A, again, I've said it a lot, but I'd like to show that I could compete at this level. I mean, I guess I barely made the cut or whatever, but still I beat a lot of guys that play golf for a living. As a YouTuber or playing professional golf a little bit, that's a massive confidence boost heading into Q-School.

Q. You guys are pretty intense with golf your whole lives. At the end of today, I don't know how much you did it during the week, but at the end of today do you guys sit down and have lunch and talk about your rounds together and what you did and what you could have done, and then will that carry over into the next few weeks as well? How does that work for you guys?

WESLEY BRYAN: I mean, we'll probably -- we'll go through a couple minutes of war stories and then we'll be back to like golf never really exists in our life.

GEORGE BRYAN: I agree.

Q. And then try and look forward to doing it again somewhere down the track?

WESLEY BRYAN: I mean, that's -- I wish that was our decision to make. You're asking the wrong people. There's some people that are way higher up in many different places that make those decisions.

George, go ahead and leak it right now, tell where we want to play next.

GEORGE BRYAN: Zurich.

WESLEY BRYAN: There you go, we said it.

GEORGE BRYAN: Us teaming up together, then we won't have the pressure of beating each other.

No, the next time we do tee it up if it happens, I mean, I get through Q-School and it definitely could happen, but if not, I feel like I'll be prepared to actually go toe to toe with you.

WESLEY BRYAN: Dude, you're not going to get through Q-School. Like the fairytale's

going to come to an end at some point.

GEORGE BRYAN: Oh, c'mon.

WESLEY BRYAN: It's been too much of a fairytale.

GEORGE BRYAN: It's been pretty dang good one.

I don't know, it's going to be -- like having this one under my belt, like I'm probably standing on some tee shots in the next and it'll be like, okay, it's not that big of a deal, you don't have to be locked up and breathing so heavy and whatever.

WESLEY BRYAN: You were like that this week?

GEORGE BRYAN: Oh, yeah, a lot.

WESLEY BRYAN: I never once knew where a golf ball was going and I still just kept whacking it.

GEORGE BRYAN: I know.

Q. Finally, was there one highlight, one best moment for both of you either individually or together?

GEORGE BRYAN: I mean, I had a lot. I played some really good golf for the first three days, but today like golf-wise, birdieing 16 -- 13 and 16 today, like birdieing the signature hole is really cool.

WESLEY BRYAN: I mean, I did the same thing. It's not a big -- like pick something that I didn't do this week, like chip in for eagle on 17.

GEORGE BRYAN: Forgot about that. Chip-in went viral on 17.

WESLEY BRYAN: Yeah.

GEORGE BRYAN: Let's go. Probably I think yesterday, was it yesterday? Yeah, yesterday I was teeing off on 9 and Wesley was putting out, I'm going through my routine. My target was right over Wesley's head.

WESLEY BRYAN: It was 9.

GEORGE BRYAN: Nine?

WESLEY BRYAN: Oh, yesterday?

GEORGE BRYAN: Yeah.

And so looking up and going through my routine, I'm like I'm picking out a target above my brother in a PGA TOUR event, like back-to-back pairings. It was like a really cool moment there. I was like, God, this is insane, this is awesome.

WESLEY BRYAN: I think if I had to go one highlight of the week, I probably would have to say -- well, it came on the heels of me shanking a bunker shot, literally like a hosel rocket bunker shot, and then as I'm clanking my shoes off, I hear the crowd going absolutely bonkers behind me and knowing that George was chipping for an eagle to --

GEORGE BRYAN: Yeah, that was pretty cool.

WESLEY BRYAN: -- pretty much tie -- I think it was to tie me at the time --

GEORGE BRYAN: Yeah, it was.

WESLEY BRYAN: -- for the tournament. My highlight was just hearing the cheers for him.
