

ROUND 4 QUICK QUOTES
November 19, 2023

TYLER DUNCAN (-22)

Q. Tyler, obviously great playing this week, finished third. Just a recap of your week, a really solid weekend especially.

TYLER DUNCAN: Thank you. Yeah, it's fun, I always enjoy coming back here, got a little bit of vibes from 2019. Made a good run. Unbelievable playing by those two guys. My caddie after we finished on 18, he was like we could have shot 60 today and lost. So we were like just happy to be here and play well and have a good week. Looking forward to ending the season and taking a little break.

Q. What do you think it is about this course that suits your game so well?

TYLER DUNCAN: I think the greens roll so well and just drive it and get it in play and then give yourself a look. I read the greens here really well and so I think I made a lot of nice putts this week and just played well all around.

Q. How would you assess your season as a whole?

TYLER DUNCAN: Interesting. I had a few really good weeks and a couple tough stretches, so it was nice to kind of be on the outside of that and hopefully build off of this fall. I played really nice this fall, so just kind of build off of that and carry that over into next season.

Q. Nice week for the family, I know your uncle made it through Champs first stage. Did you follow that?

TYLER DUNCAN: I did, yeah, followed it closely. Yeah, just happy for him and have him keep grinding. Then he has final stage here in a couple weeks. He'll be working hard at that and hopefully gets through.

Q. Did you talk to him at all on Friday night?

TYLER DUNCAN: Yeah, yeah, we talk through text almost every day, and we've had a couple phone calls this week. Yeah, I've talked to him. He's happy the way he played, so he's looking forward to going out to Scottsdale and playing.

Q. What's one thing you've learned from him through the years?

TYLER DUNCAN: One thing? I mean, everything is probably one thing that I've learned. That's one way to explain it. Pretty much everything that I do has come from him. He's been by my side my whole career from junior golf, amateur golf, college golf, professional golf, all

along. Yeah, pretty much everything comes from him.

Q. You'll be rooting hard for him?

TYLER DUNCAN: Yeah, yeah, for sure. Hopefully he gets through. Yeah, I mean, he's got the game for it, just with golf you never know what can happen. Hopefully shows up there and has the game, body feels good and he's ready to go.

Q. Lastly from me, what's it mean, you know, you got through Korn Ferry Tour a few years ago and you're a winner out here and kept your card out here. What's it mean as a person, a professional to be a PGA TOUR member?

TYLER DUNCAN: You know, it's pretty much what I always dreamed of. I never expected my path to be easy, but I just kind of kept grinding, kept my head down and worked hard and tried to get better every day and every stage no matter where I was at, whether it was mini-tour event or what. I was there to do the best that I could and grind it out and play well. Just kind of continued to get better throughout the years.
