STEVE STRICKER (-20)

Q. Just to start, what are your overall thoughts on the week?

STEVE STRICKER: Yeah, it was a good week. I didn't -- I would have needed something pretty special to catch Steve today, he played great. Yeah, so it was -- I hit the ball solid. Didn't make some of the putts today like I should have probably, but all in all it was a good start to the year, good week.

Q. And can you just talk about Steven Alker's play today?

STEVE STRICKER: Yeah. I mean, he played great, and the one shot that he missed, hit off a cart path, hit in the rocks and to make an eagle, that's a three-shot swing right there. Then he just capitalized on it, right? He birdied the next hole and kind of when things -- you get a bounce like that and capitalize like that, it's kind of your day. And he did, he played great. Yeah, he's deserving of it, he played well.
