

ROUND 1 QUICK QUOTES

TOMMY FLEETWOOD (-1)

Q. Can you just talk to us about what was that like filming that and how it sort of came about?

TOMMY FLEETWOOD: No, it was totally -- Brandon Bee (sp?) was over there and he's obviously been amazing with content. Yeah, I guess he just was doing a collaboration with the DP World Tour and I was the lucky one who got to go through the whole process of making something really cool.

Q. Have you had any feedback from fans or other players or fans online since it was posted?

TOMMY FLEETWOOD: I had a look, yeah. Yeah, it seems like it's gone down pretty well, got a lot of views. It does, it looks really cool. I think, yeah, trying to bring sort of I guess a few different things through the platforms, DP World Tour does a great job of it. We're just lucky that we get to be a part of it, I guess. Yeah, so far, so good. Got quite a bit of feedback, yeah.

Q. Do you have a fear of heights?

TOMMY FLEETWOOD: Get sweaty palms.

Q. And being chained up to hit a shot like that, have you ever hit a scarier shot or is there a shot that comes to mind that might have been as scary?

TOMMY FLEETWOOD: Some downhill putts at Augusta or something, yeah.
