

**ROUND 2 QUICK QUOTES**  
**February 16, 2024**

**LUKE LIST (-8)**

---

**Q. Luke, got to ask you about the putting, and yesterday I'm sorry I didn't mention like 229 feet of putts made yesterday, which is crazy, maybe one of the best we've ever heard on the PGA TOUR. Today 65 feet, but all in all the putter's been pretty good for you.**

**LUKE LIST:** Yeah, scrambled around. I don't know where they got that stat because I think there was some misprint with the ShotLink on 13, gave me like a 70-footer. So I would check that a little bit.

I did make a lot of feet, but I don't think there was any record set. I think there's a little misprint there. Putter's been phenomenal, scrambled really nicely today, driver struggled again. I think I only hit one fairway on the back, which out there is really tough, so to get around in even par with hitting my driver all over the place was pretty good.

**Q. That's kind of like a fish story, just keeps getting bigger and bigger, your putter. Ten for 11 in scrambling overall, that is excellent here.**

**LUKE LIST:** Yeah, one bogey and just hit a lot of good putts overall. I missed a few today that went in yesterday, but I'm happy with 2 under, like I said, with the way I drove it.

**Q. And only one bogey.**

**LUKE LIST:** Yeah. Around this place for two days, if I keep that up I'll be happy.

**Q. I know you recapped with Doug right there, but how do you use this heading into the weekend, this momentum?**

**LUKE LIST:** Yeah, I love this golf course like I said yesterday. I've got a little work to do on the range, but overall I'm really happy where I stand. Patrick can go out and shoot 63 so I'll be way back, but who knows. I'm happy with how I played and stayed in it.
