

ROUND 1 QUICK QUOTES
February 22, 2024

EMILIANO GRILLO (-2)

Q. The wind really seemed to pick up before the end of that round. How challenging was it to get in the house today?

EMILIANO GRILLO: Yeah, I noticed on, what was it, 14 -- well, 13 and 14 were playing like longer than usual. Sometimes even with the wind you can reach 14. No, it was super windy. I don't feel like I gave myself good enough chances all day, especially on the back nine. Bit of a grind, especially on 18.

Q. What would you like to clean up ahead of tomorrow's second round and do a little better than today?

ERIK VAN ROOYEN: Well, just better opportunities. Anything inside 15 feet is a good opportunity. I had a few just outside of that 15 range and good putts here and there, just a couple mistakes on 10 and 11. I grinded and I'm happy with it, so hopefully a few better tomorrow.
