February 23, 2024

SANTIAGO DE LA FUENTE (a) (-6)

Q. The 10th hole, last year the par 4 was the hardest par 4 on the PGA TOUR. What are the challenges of tackling that hole?

SANTIAGO DE LA FUENTE: Well, it's a very long hole off the tee starting with, then you have the water on the right, penalty area on the left. It's a very challenging hole.

I'm just playing it to my strength. I'm not trying to hit it too far there, give myself a chance off the fairway. I haven't hit the green yet, but I've been scrambling around, so good up-and-downs there.
