

ROUND 3 QUICK QUOTES
February 24, 2024

RICARDO GONZALEZ (-10)

Q. You're now a PGA TOUR Champions winner. How do you feel?

RICARDO GONZALEZ: Very comfortable, very happy and very emotional. Everything is inside my body.

I worked so much to be here and this is my trophy. I like that.

Q. What about this wonderful golf course, to win the trophy on this --

RICARDO GONZALEZ: Unbelievable. I like it too much, especially the last four or five holes, very good, like Argentina with the trees. I need to focus and say to my son on 13, I say play like at home and do that.

Q. You bogeyed 12.

RICARDO GONZALEZ: Yeah.

Q. After that you played some great golf, probably the golf of your life would you say?

RICARDO GONZALEZ: Yeah, I remember in Sweden, the last four holes in Sweden quite the same. I'm feeling so good, so good, so big and now playing the tour everybody likes to play, no? Everybody likes to play in the Champions Tour and one of the lucky men to get in there.
