

**ROUND 4 QUICK QUOTES**  
**February 25, 2024**

**JAKE KNAPP (-19)**

---

**Q. Jake Knapp, your four-shot lead gone through seven holes, you hit two fairways on this Sunday. How did you find the gumption to get the job done today?**

**JAKE KNAPP:** Yeah, I mean, didn't necessarily have my best stuff today, that's for sure. Knew it was nerve wracking, knew it was going to be tough. Kind of told Mike, I was like after those first three holes, that's as bad as we could have played and we've still got a two-shot lead.

So just tried to settle in. It would have been nice to hit driver better and hit it a little bit better, but was super pumped on how I played in the finishing stretch. Yeah, just grinded it out.

**Q. You talked about your relationship with your late grandfather, lost him last year to cancer, you have his initials on your left arm.**

**JAKE KNAPP:** Yeah.

**Q. What do you think he would think about this moment?**

**JAKE KNAPP:** He'd be pretty pumped. He'd probably say, yo, dude, good playing, winner, winner, chicken dinner. So Papa, thank you.
