

**ROUND 1 QUICK QUOTES**  
**March 7, 2024**

**GARRICK HIGGO (-6)**

---

**Q. Garrick off to a great start. This is your first event here, right?**

**GARRICK HIGGO:** Yeah, never played here.

**Q. Well, birdies on five of your first nine holes. Just a few highlights about the round today?**

**GARRICK HIGGO:** Yeah, putting's been solid for a while now, and last week I hit my irons good so that's carried over. Only got a look of at the front this week, I haven't seen the back nine until today. So yeah, hopefully tomorrow I play the back a bit better.

**Q. Sounds like a stupid question because you played well today, but does the course, do you feel like it will suit your game pretty well?**

**GARRICK HIGGO:** I think so, yeah. Driver's always been a strength, so it looks like if you can hit driver on some of the tighter holes it's good, you'll have wedges in. Yeah, I'll just keep doing what I'm doing.

**Q. And then lastly, you're just outside of the top-15 last week, 16th, how much can that carry over to a week like this?**

**GARRICK HIGGO:** Yeah, for sure. I've done a lot of work on my swing, and I hurt my wrist at ZOZO, it's not quite ready yet, but yeah, I feel like a lot of the work I've done on my swing is starting to pay off, a lot more consistent. Like it's nice to see that I can carry it over from last week to this week whereas before I might have not hit it as good, so the swing changes have definitely worked.
