

MIGUEL ANGEL JIMENEZ (-7)

Q. OK, Miguel, 7 under, what are takeaways of Round 1? What worked for you?

MIGUEL ANGEL JIMENEZ: Well, works every golf club in the bag is working very well, made seven under par, obviously only make one bogey from a shot I hit really bad. But shot on the 16th par 5 and I struggled to make a bogey at the end, but enough to make a bogey. But the rest of the golf game has been very good, hit it very solid, that what you need to do to shoot low.

Q. How is your right knee?

MIGUEL ANGEL JIMENEZ: Right knee's so-so. The stability is not there with the long clubs. With the short clubs it's OK, but with the long clubs it's a little bit, need to think a little bit tough. A lot to go.

Q. And then playing for someone this week, what does it mean, this tournament raising awareness for colon cancer?

MIGUEL ANGEL JIMENEZ: Well, when you play for someone it's always nice, especially when you have this kind of a disease that can take you away. That's why golf is one of the things to play to help (raise awareness) and I'm happy to represent them.
