

ROUND 3 QUICK QUOTES
March 10, 2024

JOE DURANT (-13)

Q. You know, Joe, this tournament is to save lives, colon cancer, and you had your own scare last week with a little skin cancer. Did that put things in perspective a little bit for you this week?

JOE DURANT: Well, I tell you what really put things in perspective, and I'm sorry if I get emotional, but we lost my nephew, Lee Stewart, who was like my little brother, last August to cancer. I was thinking about him all day today and I just want to make him proud.

Q. Well, you certainly did that, it was a tremendous round of golf. You were 4 back early on and then the tide swung there probably on 11 with that eagle putt. Could you ever imagine in your wildest dreams that this tournament could finish this way, and were you watching the leaderboard? Did you see Kevin Sutherland up there to challenge you?

JOE DURANT: I'm always watching leaderboards, I just can't help myself. I knew I was going to have to finish strong. And Kevin got to 12 and I guess he bogeyed the last hole maybe, I'm not sure. I was just trying to hang on the best I could.
