

ROUND 1 QUICK QUOTES
March 28, 2024

WYNDHAM CLARK (E)

Q. Wyndham, I know you mentioned the back issue that you've been dealing with. How much did that affect you today?

WYNDHAM CLARK: It was fine. I mean, I felt like I had most of my speed. I definitely felt it all day, but no excuse for how I played. I was playing honestly pretty good, just missed that short putt on the 13th and another one on the 14th and that kind of put me into a lull. Unfortunate to bogey the par 5 and then 18, but all in all, a good day.

Q. How much do you have to look after it tonight with the quick turnaround for tomorrow morning?

WYNDHAM CLARK: Yeah, I mean, I'm going to go do some rehab and work on it. It's been getting better every day so I'm hoping tomorrow I really don't feel it.
