

ROUND 1 QUICK QUOTES
March 29, 2024

STEVEN ALKER (-6)

Q. Steven, clean card today, six birdies, no bogeys. Assess the day.

STEVEN ALKER: Yeah, it was pleasing. Just birdied 1 straight out of the gate. Just felt like I was in control of the ball a lot better than the last week. Just giving myself chances, on the back nine had a lot of chances there. Just (indiscernible) with putting, it felt good but just wasn't quite (indiscernible.)

Q. What tidied up between last week and this week?

STEVEN ALKER: Just getting my swing thoughts in check, I think. Been working on a couple of things. Just really today just felt good on the golf course, swing thoughts felt consistent and felt good over the ball. That was really the only difference.

Q. Yeah, you looked very tidy out there. Game plan for this weekend? Tomorrow doesn't look very good as far as the weather forecast. What do you think that you need to do well to keep yourself in contention?

STEVEN ALKER: Well, around this golf course you've just got to keep it in the fairway to give yourself some chances. Things might soften up a little bit so maybe the irons being a little more aggressive. I think the key here is really the tee shot is very important just to give yourself a shot at the green.
