

ROUND 2 QUICK QUOTES
March 30, 2024

RICARDO GONZALEZ (-11)

Q. Ricardo, thank you for joining us. Great second round, 9 under, you set the course record. Just some thoughts on the second round today. How did you play today?

RICARDO GONZALEZ: I play I think one of my best rounds on the tour, and so happy to make a record. Play with two great men like Vijay and Stephen Ames and enjoy. Enjoy the key to make under par.

Q. There was a lot of rain, wind, cold. Muy frio?

RICARDO GONZALEZ: Muy frias.

Q. And yet you still played very well. A lot of guys struggling. How did you keep it together out there?

RICARDO GONZALEZ: I think after Morocco, my putts were a little hot, make a lot of putt and feeling confident I think is the point to make, good score when you make. Today feeling fantastic over the green and I make a lot of putts.

Q. Seventeen, the par 3, that was a very good putt.

RICARDO GONZALEZ: Yeah, yeah.

Q. Is that what you're talking about?

RICARDO GONZALEZ: Yeah, yes, and 15, 14, 13. And 17 is special because try to no make bogeys. I make one bogey on the first nine holes and I say, no, come on, concentrate on that and make. But I have a great feeling today.

Q. When you got here this week, I imagine it's the first time you've played here?

RICARDO GONZALEZ: Yeah.

Q. Does the course suit your eye?

RICARDO GONZALEZ: Yeah, I like the course, I like the design and that's why I'm feeling comfortable from the tee to green. Today is (indiscernible) on the cake is the putter. It's always when you make can do low score.

Q. Does having Santiago, your son, on the bag, does that help you?

RICARDO GONZALEZ: Yeah, help a lot. I think Santiago's 80 percent of my putting because he give me good line and then when you have feeling you have the right line, everything's possible.
