

ROUND 3 QUICK QUOTES
March 31, 2024

STEVEN ALKER (-12)

Q. Obviously not the outcome you wanted, but what's going through your head right now?

STEVEN ALKER: Yeah, obviously some disappointment to finish. I didn't do too much in terms of ball-striking, didn't do too much wrong. I kind of hit the shots I wanted and went with them. Yeah, just putting wasn't -- just didn't make some putts I should have, the three-putt on 17 there. So felt fine, my long game felt good, just didn't get it done.

Q. Specific to the decision to go for it in two on 18, can you talk through that a little bit?

STEVEN ALKER: Yeah. I mean, it was just a really good solid 5-iron. I had a super lie, could almost hit driver off the lie in the semi-rough there, that's how good the lie was.

If I hit rescue, then I flush it and it's gone through the green. So just got a little high on the face, a little grassy. It got over. I kind of flew the front, but just got maybe a little unlucky.

Q. What was the yardage?

STEVEN ALKER: 199 to the front.

Q. With a 5-iron?

STEVEN ALKER: With a 5-iron. Just got a little high on the face and just kind of come out soft. I was happy with that. If I get it on the front, I'm still going for a two-putt.
