

**ROUND 4 QUICK QUOTES**  
**March 31, 2024**

**TAYLOR MOORE (-11)**

---

**Q. Taylor, I know probably not going to be enough right now, but how big have these last couple weeks been to your confidence after maybe a little bit of a slower start than you would have liked to the year?**

**TAYLOR MOORE:** Definitely. You know, just kind of waiting for that result to take place and the scoring part to kind of kick in because physically my game has felt good since we started on the west coast. Yeah, it's definitely nice to have that finish last week and carry that momentum into this week.

**Q. What was working so well for you today?**

**TAYLOR MOORE:** You know, I shot the ball nicely, I was really happy with some of the shots I hit. When I was maybe out of position or missed the greens, I did a good job being in the right place and was able to get up and down for the most part. Yeah, I think a combo of everything, drove the ball nice on the back nine and gave myself plenty of chances.

**Q. How much confidence can you take from a week like this going forward as we get into the big portion of the year?**

**TAYLOR MOORE:** Plenty, yeah. Looking forward to a week off to kind of work on a few things and, like you say, get ready for what's to come, Masters, Hilton Head, Signature Event. Yeah, a lot of confidence and looking forward to getting out there.
