

ROUND 4 QUICK QUOTES
March 31, 2024

SCOTTIE SCHEFFLER (-11)

Q. Can you take us through what you saw on the final putt there on 18?

SCOTTIE SCHEFFLER: I didn't think it was going to move very much and I tried to hit it straight and I feel like I started right in the middle and looked like it broke off pretty hard, so just a misread.

Q. I know not the result you wanted there in the end. What are kind of your feelings out there after today?

SCOTTIE SCHEFFLER: I put up a good fight, felt like I had some weird breaks this week. That's kind of the thing, like it's tough to describe, but obviously I'm a bit disappointed. I hit two or three really good shots into 18 to give myself a chance and I feel like I made the putt and I looked up and it was breaking off. So a bit disappointing, but Stephan played great this week and he's a deserving champion.

Q. In the end, what positives will you take from this week going towards Augusta?

SCOTTIE SCHEFFLER: Yeah, another good week, I gave myself a chance to win the tournament. That's where I want to be at the beginning of the week. And today was fun, obviously I wish it would have ended a little differently, but I hit what I felt like were a lot of good putts there toward the end, just couldn't get one to go in.

Q. When you have results like this, kind of stinging at the end there, does it take you a long time to get over that or do you kind of push that aside and move on quick?

SCOTTIE SCHEFFLER: I'll move on as quickly as possible. Obviously I'm a bit disappointed right now. At the end of the day it would be one thing if I pulled it or something like that. I just misread it. I don't know why I misread it, it's part of the game. Maybe I could have hit it with some more speed, I felt like I hit a nice putt kind of how I wanted to, just didn't go.

Q. The next week, what will you kind of do? Will you go to Augusta any earlier than usual?

SCOTTIE SCHEFFLER: No, no, I'll head in Sunday like I normally do, play a practice round Sunday, gradually get into the week, get prepared. Definitely get some rest, I'm pretty beat now from another long week.
