

ROUND 4 QUICK QUOTES
March 31, 2024

ALEJANDRO TOSTI (-11)

Q. Alejandro, let's talk about 18 real quick there. What did you see on that chip shot that rolled past a little bit?

ALEJANDRO TOSTI: Oh, it was just a terrible lie. I had to almost grind the club by the shaft. Yeah, I thought it was going to come out a little bit slow because also the ball was seating and it took off. Just really sad that the ball didn't hole on the second shot. I was out of position and tried to play smart, but I had a great day.

Q. I was going to say, all weekend long, yesterday was the neck and today you played so well, you've got to take all kinds of positives from this even though the result wasn't exactly what you wanted?

ALEJANDRO TOSTI: Yeah, no, I'm super happy. I dream about this, having this opportunity like today. It was of course the first one and I know that I'm going to have revenge and I'm going to be in this position many times. I mean, I don't think that I played amazingly good. Like you said, I've been dealing with a lot of stuff. I have not my best tournament, for sure, but I'm really happy with the result and knowing that I can do it out there.

Q. What thoughts and feelings will you take from what you felt today forward when you get in this position again?

ALEJANDRO TOSTI: Oh, nothing. I thought I did it really good. I mean, I was playing the shots that I was wanting. I was missing all my irons to the left, which is something that I've been trying to work on on my clubs. It was better this week, but I still have some work to do. Yeah, no, I think coming down the stretch, it was really fun. It was fun to be out there with all the people, first time ever with so many people around. Being in contention for the tournament, that's what I worked so hard for all my life. Just to be able to have the opportunity and live it in blood, it's just priceless.

Q. Explain to us since we're not inside there playing, explain to us how that feels having that kind of adrenaline, that excitement.

ALEJANDRO TOSTI: Oh, just to have an idea, on hole 17 I was not -- I was feeling that my extra, extra stiff driver shaft felt like a stiff shaft: That driver, just the adrenaline, the club just felt so much wiggle. I'm like wow, that feels so strange. That's the amount of adrenaline that you live in those moments. It was really fun to be there. I've been there in that position a couple times, but this time on the big stage, it's pretty awesome.
