

**ROUND 2 QUICK QUOTES**  
**April 5, 2024**

**BRENDON TODD (-6)**

---

**Q. How did you feel about the round today overall? What stood out to you?**

**BRENDON TODD:** Yeah, it was a tough finish, not very happy with the score. I hit it really nice on the front nine, just didn't get a lot out of it there. On the back nine we had a couple mistakes and made some more bogeys than we needed. Yeah, just let a good one get away.

**Q. Did you see any differences in particular in your play yesterday versus today?**

**BRENDON TODD:** I chipped in twice yesterday and made an 80-footer, that was the big difference, and I probably missed a few more greens today.

**Q. You've had some strong results here over the years. What is it about this course that sort of stands out to you or allows you to have some success?**

**BRENDON TODD:** I really like the way that the holes are framed off the tee, I feel like I can drive it well here and it's really important to drive it in the fairway. Then I seem to play these grasses really well, I like to chip and putt around here.

**Q. What are your expectations for the rest of the weekend? Anything that you're going to be focused on in your game?**

**BRENDON TODD:** Just hoping to put two good rounds together and have a chance to win. Haven't played four good rounds this year and I won't this week either because today was a miss. Get two good rounds in and contend.

**Q. You sound very discouraged about today. Does it take anything to regroup or get back on track?**

**BRENDON TODD:** I'll be fine, I'll play well on the weekend. This was a missed opportunity today.
